Summary of reasons for decision:

The image is deemed objectionable under s3(2)(a) of the Films, Videos, and Publications Classification Act 1993 (FVPC Act) because it promotes and supports the exploitation of children or young persons for sexual purposes. The image focuses closely on a naked boy and emphasises his sexual characteristics. This has the effect of legitimising and encouraging a sexual interest in boys.

The classification of this publication interferes with the freedom of expression as set out in the New Zealand Bill of Rights Act 1990, but this is an outcome that is consistent with Parliament's intention that publications falling under s3(2) of the FVPC Act are deemed to be objectionable. The classification is also a reasonable limitation on the freedom of expression that reflects the concern of a free and democratic society to limit the availability of publications that promote and support the exploitation of children or young persons for sexual purposes.
